About Me

As an MBA candidate specializing in Innovation, Entrepreneurship, and Venture Development, I'm driven by a passion to transform the startup ecosystem. I thrive on fostering innovation and business growth, with a vision to redefine how entrepreneurial professionals shape industries. My mission is to pioneer solutions that fuel startup success and drive impactful change in the business landscape. I am actively seeking opportunities to leverage my dynamic skill set, leading ventures toward sustainable growth and long-term success.

Experience

Think & Learn Pvt. Ltd.-BYJU'S (March 2023 - August 2023)

Business Development Associate (BDA)

Collaborated with cross-functional teams to drive sales and expand customer acquisition. Successfully engaged with clients, delivering personalized solutions, and consistently exceeded targets. Gained deep insights into EdTech business strategies, while enhancing communication, negotiations, and lead conversion skills.

- Consistently achieved 120%+ sales targets.
- Recognized as a top performer in customer engagement and revenue generation.

Red & White Education Pvt. Ltd. (January 2024 - June 2024)

Branch Accountant

- Managed the company's bank accounts and oversaw income and expense tracking, ensuring accurate financial management.
- Maintained and organized invoice files, taxation records, and key financial documents for audit readiness.
- Handled admissions processes, fee collections, document verification, data entry, and Tally entries to ensure smooth financial operations.
